The feeling of excitement buzzed throughout all the seniors as we sat on the stage in the hall very eager to receive our official senior leader badges, and for some - our official position badges. As we looked around the hall it was a real honour and privilege to see the distinguished guests of the community, our friends and family there to support us and congratulate us all on our memorable achievements.

The Seniors of 2013 would especially like to thank Caitlin Ruthenburg and Billy Eagle for being the MCs of the ceremony and all family, friends, staff members, distinguished guests, Miss Habermann and Mr McDonald for making the day special and unforgettable for all of us.

The group of ten students and two teachers are from a Japanese Super Science School with the word Engei meaning science in Japanese.

During their stay the students will participate in the C.S.I.R.O. Lab on Legs as well as visit U.Q. Gatton Campus. The students will also take part in various activities here at Lockyer with both Agriculture and Science students.

The students and teachers leave on Thursday to return home. Our thanks are extended to the families who kindly took these students into their homes during their stay in the Lockyer Valley. Dennis Harris (Co-ordinator)
Welcome to this edition of Lockyerlife. Thank you for taking the time to read this edition, as we believe that our newsletter forms an important part of home school communication.

I had the great pleasure to attend both the Senior Leadership Camp and the Senior Induction Ceremony recently. Lockyer again has a very strong and very capable student leadership group this year. The leadership group is led by School Captains Angelique and Dan as well as by Vice Captains Carly and Jordan. The student leadership group plays a significant role in creating a culture of participation, effort and learning in the school.

Congratulations Kenny House! The annual swimming carnival was recently held, with Kenny being surprise winners. Well done to all House Captains for ensuring good participation and a great day. Thanks all staff, parents and students for participating with such enthusiasm. Please remember that the Annual Cross Country will be held on 27 March, and is another great opportunity to be active, to participate and secure points for your house.

Every day counts. All students are expected to attend school, or be part of a structured educational program every day. All students are expected to be on time, equipped to learn and participate with a clear focus on improving in every class, every day. Don Edgar, a British educational researcher says that a school’s job is to help the family educate a child. We all expect schools to significantly improve the knowledge, skills, attitudes and future prospects of every child, but a student is only in the classroom about 11% of their year (200 days at 5 hours per day)! Clearly every school moment is critical to every student.

Volunteering changes your life and can make another person’s day. The Lockyer District High School P&C runs the school canteen and is always keen on new volunteers. Please call the canteen direct on 54662314 or return the form on the back of this newsletter if you can help.

I remain very proud of the students and staff at Lockyer. Together, we have a good school. Let’s all work together to continue to improve in everything we do. If our school can assist you in any way, please contact us. You can follow me on twitter @Principal_LDHS or copy the link https://twitter.com/#!/Principal_LDHS

Until next time
Darren

SOUTH PASSAGE
SAILING TRIP

Friday 13 September–Sunday 15 September

Twenty two Lockyer District High students’ from Year 8 to 11 are once again invited to sail upon this wonderful old ship.

Cost per student will be $310.

Students need to be on Level 1 or 2 by September to participate. Those interested need to collect a form from the office and return it by Friday 15 March.

For more information see Ms Englart or Mr Head.

COMMUNITY SPIRIT

Recently, the new Murphy’s Creek Community Centre was officially opened thanks to the people of Tasmania. In recognition of what they have done for the people of Murphy’s Creek, we would like to give back to them in their hour of need with the bushfires that they have been experiencing.

Our first function in the new Centre will be dedicated to them with all funds raised going to the Tasmanian Bush Fire Appeal.

Please come along and support this worthy cause.

RELAY FOR LIFE

Lockyer District High School is participating in the 2013 Relay for Life as last year was a huge success. This year’s students are so motivated we have been able to enter three teams. Our goal is to exceed last year’s fundraising of $3500. The team has set out to organise four fundraising adventures. On Friday 22nd March, student will be holding a purple Free Dress Day. Students are asked to wear something purple whether it is a t-shirt, shorts, hat, ribbons etc. Students are asked to bring a gold coin in to donate to the cause.

The second fundraiser is the end of term movie night for Year 8. This will happen on Wednesday 27th March in the hall. We will be selling lollies, popcorn and drinks. In addition to these, we will be running an Easter Raffle. You can purchase tickets through the office.

We encourage your students to get behind the Relay for Life team to help us raise money for the Cancer Council.

INFORMATION TECHNOLOGY

Drawing IT

A group of 33 budding artists have seized upon IT and have chosen to undertake a basic training course in Image Editing using GIMP, an open source competitor to Photo shop. The students have been engaging themselves in this on a Wednesday afternoon and making excellent progress (Weather permitting).

With only three sessions remaining the pressure is on but the plan is for them to have us all riding Ostriches before the term is out!
HEALTH EDUCATION

As a requirement for the Health Education Curriculum, the 2013 class of 18, accompanied by teachers Mr Fuller and Mr Farmer, and volunteer parent, Mrs Collier, travelled to the Royal Brisbane Hospital to participate in the P.A.R.T.Y program. The P.A.R.T.Y program, which stands for: Prevent Alcohol and Risk-Related Trauma in Youth aims to educate and provide awareness about driving and the associated risks involved.

The morning commenced with many tired and yawning faces entering the school grounds at the early time of 6.30 am. After two hours in the hectic Brisbane city traffic rush, we finally made it to the Brisbane Royal Hospital where we were met by staff and taken to a conference room. For the next few hours we were accompanied by many different staff members of the hospital, including a paramedic and a trauma nurse, who talked to us and shared their everyday experiences with us.

To fully understand what it felt like to be drunk, in a visual sense, we were given goggles which enabled us to see what a drunken person would be able to see. While wearing the goggles, we were asked to participate in a number of small activities, such as walking in a straight line, locating a pair of keys in the dark and throwing a ball to our partner. I think I can speak for the rest of the class when I say that these were not very easy tasks to complete.

As seen in the attached photo, students were given certain disabilities, such as a broken arm, being in a wheelchair and being blind. The purpose of the activity was to enable students to personally experience what it would be like to live with these disabilities, such as a broken arm, being in a wheelchair and being blind.

After lunch we were split up into groups and taken around the hospital where we were able to witness the effects of not only driving accidents, but furthermore the results of poor decision making. Visiting the rehabilitation wards and talking to an accident victim and his daughter, in addition to putting a ‘body’ in a body bag were additional highlights. An overwhelming amount of valuable information was learnt that day which hopefully will be remembered, throughout our lives.

RED CROSS YOUTH AMBASSADOR DAY

Did you know? 1 in 3 people will need blood that has been donated however, only 1 in 30 people actually donate!

On the 21st of February, Simone Karrasch, Lachlan Smith, Lachlan Struthers and Petrina Waldie were accompanied by Mr Hallas to attend a ‘Red Cross Youth Ambassador’ day. The students learnt how to be an ambassador for their school and were given many ideas on how to get students keen to donate blood. Overall, it was a very enjoyable and informative day.

The Blood Donor Van will be at the Gatton Plaza on the 17th – 19th April and all people are encouraged to try to make an appointment and make a valuable blood donation. When making a donation it is important to follow 4 simple rules:-

1. Make sure you are feeling fit and healthy on the day of the donation.
2. Eat a good sized meal before your donation.
3. Drink lots of water before your donation.
4. Bring I.D. to your donation.

We are trying to encourage as many people to donate as possible and if you are 16 or older you are eligible to donate (N.B. if you are 16 or 17 you must get parental consent to donate).

To help our school with the ‘Club Red’ competition which tracks the number of donations our community donates, simply donate blood and log onto:

Here you will enter ‘Lockyer District High School’ as the group and then continue to fill in the details.

Your donations will be greatly appreciated and every donation can help to save 3 lives!

Thank you in advance, from all the Youth Ambassadors.

SCHOOL NURSE

What is the National Day of Action Against Bullying and Violence?

The National Day of Action Against Bullying and Violence is an opportunity for students, teachers, parents and the whole community to take a stand against bullying and violence. This annual day provides a focus for schools who want to say Bullying. No way! and to strengthen their everyday messages that bullying and violence at school are not okay at any time.

For those students who are experiencing bullying please remember there is a good support network within the school community. You have your Principal, your Deputy Principals, Guidance Officer, the HODs, Chaplains and myself, the School Youth Nurse.

There is also some great support with

Cheerful faces and creative costumes and outfits filled the school grounds on the 22nd of February in excitement for the annual Lockyer District High School Swimming Carnival. As the buses soon arrived to transport the 400+ students to the local Gatton pool, the question of which house was to win quickly became the hot topic of the morning. Would the Mighty Griffith Dragons continue on their winning streak? Or would another House steal the win from them?

Well, needless to say, whether or not you were a Cunningham Cat, a Griffith Dragon, a Kenny Viking or a Manning Tiger, everyone – from Year 8’s to Year 12’s got in and had a great day.

Continuing the tradition from last year’s Sports Carnival, all the houses participated in the much anticipated ‘House Dance-off’. The House Dance-off entitles all the members from each of the four houses to show off their awesome dance moves in the hope of some extra winning points to go towards their houses’ accumulated points.

As the end of the swimming carnival neared, all the houses tried to scrape in every single crucial point they could before the points were finally tallied up. After a pause, which felt like a lifetime of waiting, it was announced that the Valiant Kenny Vikings had won the Swimming Carnival for 2013. Happy shrieks and congratulatory cheers soon filled the Gatton pool area.

With records being broken, a successful BBQ lunch, a sold out cupcake stall and a heroic win from the Kenny Vikings, it can be seen why all the Lockyer students had big smiles on their faces as they left the pool gate.

The house captains, teachers and students did a remarkable job in making the day a huge success. So, congratulations to everyone who contributed and made it a great swimming carnival.

IMMUNISATION CLINIC

LOCKYER DISTRICT HIGH SCHOOL WILL PARTICIPATE IN THE QUEENSLAND HEALTH’S SCHOOL BASED VACCINATION PROGRAMME AGAIN THIS YEAR.

INFORMATION PACKAGES WERE DISTRIBUTED AT THE END OF FEBRUARY. FORMS NEED TO BE RETURNED TO THE OFFICE BY FRIDAY 15 MARCH BY THOSE WHO WISH TO PARTICIPATE IN THIS PROGRAMME.

FOR FURTHER INFORMATION PLEASE CONTACT MEG ENCLART.
MEET AND GREET

Wednesday 20 February, Lockyer District High school held their annual Meet and Greet barbeque for the new Year 8’s. The afternoon allowed students and parents the opportunity to get to know the teachers and senior leaders of our school. It was pleasing to see some familiar faces from last year’s orientation days and some new faces there too. I appreciated the fact that as School Captains and Senior Leaders we were given this opportunity to personally introduce ourselves and develop relationships with the various members of our school community in a friendly laid back environment.

I even saw our Principal Mr Cook out on the field making his rounds.

I believe the afternoon was a complete success and I would also like to mention that the food was great. I would like to thank all the seniors and teachers who offered to give up their afternoon to help organise and cater for the event and socialise during the session.

Angeline Asselin – School Captain

LEADERSHIP CAMP

The leadership team for 2013 attended the annual leadership camp at Camp Reflections, Cooby Dam. The camp was held over 3 days beginning the 8th of February. The focus of this camp was building teamwork and goal setting between the leaders. Our first challenge was putting up a tent; for some of us this proved a greater task than first imagined!

It was great for the Year Coordinators, Mr Cook, Ms Englart and Mr Head to take time out of their weekends to help us with the activities and talk about goal setting. This was a really eye opening activity for us to see what lay ahead of us this year. Although the tasks were daunting, we couldn’t wait to jump right in.

Over the three days we endured many team building activities where we needed to trust and rely on each other to complete the challenges before us. This was an extreme task as for many of us, it was the first time speaking to some of the other leaders. Many new friendships were formed and no one will forget Mitch Jones and Dan Orman’s gymnastics routine followed by the cup song which left us all in stitches.

As a team we had to cook, clean and manage our time without guidance from the teachers. For some of us this was a relatively new experience. The camp also provided a great opportunity to express and expand our ideas for the year ahead. As leaders, this year, we hope to make a positive difference to our school.

Megan Zischke – Publicity Officer

VALENTINE’S DAY

Another awesome Valentine’s Day filled with laughter, singing, dancing, and people left feeling embarrassed was shared here at Lockyer District High School. This year was special with the Cultural Department really stepping up the pace delivering flowers, love notes and cupid’s to sing, dance and read poems. It was a great success and the money this year is going towards the musical this year. “You’ll have to spend the night”, performed later this year.

It was quite a challenge taking the flowers that the Student Representative Council kindly gave us and yet it became a huge success. I and the other cultural captains could not have done it without our fellow companions, so well done to all of you! Our fellow cupids did an amazing job delivering flowers and serenading students and teachers with love songs. The stories you may have heard about teachers being serenaded by none other than Jason Weatherby and Mitchell Jones and our groups of cupids running around the school, has hopefully made your Valentine’s Day even more memorable! Thank you to all those who helped us and I hope you enjoyed Valentine’s Day with your special someone or even just your teddy bear.

Bodean Shea - Vice Cultural Captain

DEPUTY PRINCIPALS:

LOCKYER LIFE
What a fantastic start to 2013! Jason and I would like to congratulate our Year 8 cohort for settling into life at Lockyer so well. Thank you also to our parents and wonderful teachers for helping the Year 8’s adapt to day to day business. Students are working well and are keen for the camp coming next term. There is also a Movie Night organised for the Wednesday of the 27th of March. This event raises much needed money for RELAY for LIFE.

Miss Sarah Ryan

Comments from students:

“High school is interesting and fun!” Micheal O’Shea 8H
“High school makes a lot of people happy!” Brody Nolan 8H
“It’s great to learn new things.” Braydon Machin 8D
“It’s heaps better than primary school” Tearna Pilling 8C
“You get to meet so many new friends” Samantha Pitman 8C
“The teachers are great” Johanna Setch 8B
“It’s a happy environment to be in” Hope Pickering 8B

The Social Science Department is undergoing a number of changes in 2013. Ms Sheila Forknall is on leave until Term 2 as is Mr Steve Dunne. Mr Richard Sullivan is on long service leave for 2013. Taking up their duties are Liz Taylor, Tim Vale, Adam Rafferty and Lisbeth Lauridsen with Maree Rosier acting as Librarian. Another change taking place is the trialling of ipads in Ms Kym Zupp’s and Mrs Sarah Ryan’s Year 9 and 10 Foundation classes.

It is a very busy year in the SOSE Department as we get ready to implement National Curriculum in Semester 2. Students in Year 10 History have already begun, studying Australia in WWII – “The bombing of Darwin” in Term 1 and, in Term 2, “The Cold War – Maralinga”.

A number of Year 12 students, accompanied by Maree Rosier attended the annual Constitutional Convention held for senior students annually at USQ. Jess Heath admirably represented our school speaking to the topic: ‘How Indigenous people should be included in the Constitution’. This event is a fantastic opportunity to visit USQ, meet students from schools across the region and hear from guest speakers who are specialists on the topic. Each year the most persuasive speaker wins a trip to Canberra to participate in the national Constitutional Convention.

Also coming in late March is the 2013 Australian Geography competition. Students in year 11 & 12 Geography will be participating.

Liz Taylor
HOD Social Science

Subject Fees for 2013 have now been invoiced. These can now be paid. Statements are in the process of being posted out.

We thank you for your attendance to this matter.
TUCKSHOP VOLUNTEERS

The tuckshop provides a service for the students and staff of Lockyer District High School. The Parents and Citizens Association use the tuckshop as their sole fundraiser. We are seeking volunteers who might have a few hours to spare once a month. Usual hours are from 9 till 2.15pm but if you can only spare from 9.15 to 11.35am that would be very much appreciated. Our volunteers help in the preparation of foods, general tidying up and serving if they wish. The donation of time by parents enables us to make a profit, even though prices are kept at reasonable levels for prepared food items.

Reasons given by people volunteering for tuckshop duty include:

- To help the students and the school
- To meet other parents
- For companionship
- To keep in touch with what is happening within the school
- The chance to see their children’s teachers while at the school
- To be able to talk with other people with similar interests (e.g. children of similar ages, similar problems)
- "We always have a lot of fun"

Our tuckshop carries a range of hot and cold foods, as well as health bars, drinks, snacks, milk, ice-creams etc. Our Convenor’s, Shirley Charles and Kaylene Richards can be contacted during school time on 5466 2314. All volunteers are made welcome in an Air-conditioned area and lunch is provided. We need your help to maintain this essential service to the school. Please fill out the form below and return it to the school.
